Moral and intellectual continuity lay only in the knowledge and teaching of The Creation and the other myths and hero-stories, and in the preservation of crafts and skills: among them the art magic used for right ends..Dulse had seen young men weep for joy at the birth of a first son. He had seen poor men pay witches a year's earnings for the promise of a healthy boy, and a rich man touch his gold-bedizened baby's face and whisper, adoring, "My immortality!" He had seen men beat their sons, bully and humiliate them, spite and thwart them, hating the death they saw in them. He had seen the answering hatred in the son's eyes, the threat, the pitiless contempt. And seeing it, Dulse knew why he had never sought reconciliation with his father..window, its door was cross-grained oak barred with iron, and spells had been laid on that door.The name and office of archmage were invented by Halkel, and the Archmage of Roke was a tenth Master, never counted among the Nine. A vital ethical and intellectual force, the archmage also exerted considerable political power. On the whole this power was used benevolently. Maintaining Roke as a strong centralising, normalising, pacific element in Archipelagan society, the archmages sent out sorcerers and wizards trained to understand the ethical practice of magic and to protect communities from drought, plague, invaders, dragons, and the unscrupulous use of their art.."Tell them-tell them I was wrong," Irioth said.
