And I didn't know about it." His concern intensified as the implications sank in. "Who are they?""News?" Lechat looked up, puzzled. "When? We've been here for the last hour. There wasn't anything special then..""I might have guessed," Colman said, nodding to him-."Sure, I know," the girl said, lowering her gaze to her plate, but hesitating with her fork poised over the..So how did people like Howard Kalens feel about Chiron? Colman wondered. Did they think they could possess a whole planet? Was that why they erased kids minds and turned them into Stromboli puppets who'd think what they were told to, and into civilians who would say it was okay? But why did the people let them do it? Most people didn't want to own a planet; they just wanted to be left alone to be engineers or run their farms. Because they played along with the rules that said they were..Marie, who had been exploring the house, emerged from the elevator. "The basement is huge!" she told them. "There are all kinds of rooms down there, and I don't know what they're for. I could have my own room to draw things in. And did you know there's another door down there that leads out to a tunnel?
