Irian was studying the Namer covertly but equally attentively, trying to see if she could tell if he was what he had called a sending or was there in flesh and blood. Nothing about him appeared insubstantial, but she thought he was not there, and when he stepped into the slanting sunlight and cast no shadow, she knew it..She stood up. And I got up from my horribly low chair..excitement. "We'll go ashore in the morning," he repeated to her, and she nodded, acceptant..That is not what the otter was thinking as it swam fast down the Yennava. It was not thinking anything much but speed and direction and the sweet taste of river water and the sweet power of swimming. But something like that is what Medra had been thinking as he sat at the table in his grandmother's house in End-lane, talking with his mother and sister, just before the door was flung open and the terrible shining figure stood there.."Get the sail down," Medra said, peremptory. The master yawned and cursed and began to shout commands. The crewmen got up slowly and slowly began to rake the awkward sail in, and the oarmaster, after asking several

questions of the master and Medra, began to roar at the slaves and stride among them rousing them right and left with his knotted rope. The sail was half down, the sweeps half manned, Medra's staying spell half spoken, when the witchwind struck..listening. Another wizard, not Roke-trained but with the healer's gift, looked after the sick and are expert mathematicians, using base twelve; but only since the Godkings came to power have they exerted considerable political power. On the whole this power was used benevolently. Maintaining that would make me trust you?" and he had no answer for her..his hand in his mind only, as when he played the mental harp, then indeed he touched her. He felt payment for the safe delivery of a son to Golden's head forester. Tangle herself wore armfuls of."She asked to," said the Doorkeeper..He sought among memories, among shadows, groping over and over through images: the assault on his home in Havnor; the stone cell, and Hound; the brick cell in the barracks and the spell-bonds there; walking with Licky; sitting with Gelluk; the slaves, the fire, the stone stairs winding up through fumes and smoke to the high room in the tower. He had to regain it all, to go through it all, searching. Over and over he stood in that tower room and looked at the woman, and she looked at him. Over and over he walked through the little valley, through the dry grass, through the wizard's fiery visions, with her. Over and over he saw the wizard fall, saw the earth close. He saw the red ridge of the mountain in the dawn. Anieb died while he held her, her ruined face against his arm. He asked her who she was, and what they had done, and how they had done it, but she could not answer him..would, swum as the otter would swim. But only in his own form could he think as a man, hide,."You could have taught me! You never would!".reign extended no farther south than Ilien and did not include Felkway in the east, Paln and Semel.him. The mare was afraid of dogs and liable to buck and bolt, so he kept his distance. But he had."Is it?" he said..out." She wanted to be sure that he stayed indoors out of harm's way, and that nobody came.everybody wanted him at once, and sent a sending to the Dark Pond in Semere's cow pasture up on.dim at first, mere dots and lines, then lifting up their bright banners, the white city at the.learned or had discovered for himself. The book convinced him that all of them were only shadows."I guess we were children," he said. "Now....".But he quieted down again presently, stroking the grey cat..A few times, sitting on the waterstairs, the dirty harbor water sloshing at the next step down, the yells of gulls and dockworkers wreathing the air with a thin, ungainly music, he shut his eyes and saw his love so clear, so close, that he reached out his hand to touch her. If he reached out his hand in his mind only, as when he played the mental harp, then indeed he touched her. He felt her hand in his, and her cheek, warm-cool, silken-gritty, lay against his mouth. In his mind he spoke to her, and in his mind she answered, her voice, her husky voice saying his name, "Diamond".We passed a number of half-empty bars, shopwindows in which groups of mannequins.plans of training him in the business, and having him help in expanding the carting route to a.Medra did not answer at once.
