We're the location to get for your book that is referred. And your time to acquire this specific guide as among the compromises has been ready. On the morrow they (199) returned to their place, as of their wont, and betook themselves to eating and drinking and merry-making and sporting till the last of the day, when Sindbad bade them hearken to his relation concerning his sixth voyage, the which (quoth he) is of the most extraordinary of pleasant stories and the most startling [for that which it compriseth] of tribulations and disasters. Then said he, "At their appointed terms souls die; but for despair My soul is like to die, or ere its term betide." El Mutawekkil and his Favourite Mehboubeh clipped her in mine arms and straight grew drunken with the scent, iii. 125..44. El Mamoun and Zubeideh dlviii. So he opened to me and I went out and had not gone far from the house when I met a woman, who said to me, "Methinks a long life was fore-ordained to thee; else hadst thou not come forth of yonder house." "How so?" asked I, and she answered, "Ask thy friend [such an one, naming thee,] "and he will acquaint thee with strange things." So, God on thee, O my friend, tell me what befell thee of wonders and rarities, for I have told thee what befell me." "O my brother," answered I, "I am bound by a solemn oath." And he said, "O my friend, break thine oath and tell me." Quoth I, "Indeed, I fear the issue of this." [But he importuned me] till I told him all, whereat he marvelled. Then I went away from him and abode a long while, [without farther news]. Meanwhile, El Abbas abode with his cousin Akil twenty days, after which he made ready for the journey to Baghdad and letting bring the booty he had gotten of King Zuheir, divided it between himself and his cousin. Then he set out for Baghdad, and when he came within two days' journey of the city, he called his servant Aamir and bade him mount his charger and forego him with the baggage-train and the cattle. So Aamir [took horse and] fared on till he came to Baghdad, and the season of his entering was the first of the day; nor was there little child or hoary old man in the city but came forth to divert himself with gazing on those flocks and herds and upon the goodliness of those slave-girls, and their wits were amazed at what they saw. Presently the news reached the king that the young man El Abbas, who had gone forth from him, was come back with herds and rarities and slaves and a mighty host and had taken up his sojourn without the city, whilst his servant Aamir was presently come to Baghdad, so he might make ready dwelling-places for his lord, wherein he should take up his abode. How oft of dole have I made moan for love and longing pain, What while my body for desire in mortal peril went! When the prince saw her in this plight, he was as a sleeper awakened and said to her, "What hath befallen thee? Set out to me thy case." "God on thee," answered she, "nevermore send me to Mariyeh, and do thou protect me, so may God protect thee from the fires of hell!" Then she related to him that which had bedded her with Mariyeh; which when he heard, there took him the shamefastness of the generous and this was grievous unto him. The love of Mariyeh fled forth of his heart and he said to the nurse, "How much hadst thou of Mariyeh every month?" "Ten dinars," answered she, and he said, "Be not concerned." Then he put his hand to his poke and bringing out two hundred dinars, gave them to her and said, "Take this for a whole year's wage and turn not again to serve any one. When the year is out, I will give thee two years' wage, for that thou hast wearied thyself with us and on account of the cutting off of thy dependence upon Mariyeh." Then Iblis took the cup and signed to Tuhfeh to sing; and she said, 'Hearkening and obedience.' So she took the lute and tuning it, sang the following verses: One day, as I was thus feigning sleep, I felt a hand in my lap, and in it a magnificent purse. So I seized the hand and behold, it was that of a fair woman. Quoth I to her, "O my lady, who art thou?" And she said, "Rise [and come away] from here, that I may make myself known to thee." So I arose and following her, fared on, without tarrying, till she stopped at the door of a lofty house, whereupon quoth I to her, "O my lady, who art thou? Indeed, thou hast done me kindness, and what is the reason of this?" "By Allah," answered she, "O Captain Mum, I am a woman on whom desire and longing are sore for the love of the daughter of the Cadi Amin el Hukm. Now there was between us what was and the love of her fell upon my heart and I agreed with her upon meeting, according to possibility and convenience. But her father Amin el Hukm took her and went away, and my heart cleaveth to her and love-longing and distraction are sore upon me on her account." I watch the stars for wake and pray that the belov'd May yet to me relent and bid my tears be dried..Solomon, David and, i. 275..Patience, Of the Advantages of, i. 89..31. The City of Lebtait dxxxii. Prince Behram of Persia and the Princess Ed Detma dccccxiv. The First Voyage of Sindbad the Sailor dxxxviii. When a year had elapsed, there came to the city a ship, wherein were merchants and goods galore. Now it was of their usance, from time immemorial, that, when there came a ship to the city, the king sent unto it such of his servants as he trusted in, who took charge of the goods, so they might be [first of all] shown to the king, who bought such of them as befitted him and gave the merchants leave to sell the rest. So he sent, as of wont, one who should go up to the ship and seal up the goods and set over them who should keep watch over them..So, when they had made an end of eating and drinking, the young man asked his host for the story, and he said, 'Know that in my youth I was even as thou seest me in the matter of loathliness and foul favour; and I had brethren of the comeliest of the folk; wherefore my father preferred them over me and used to show them kindness, to my exclusion, and employ me, in their room [in menial service], like as one employeth slaves. One day, a she-camel of his went astray and he said to me, "Go thou forth in quest of her and return not but with her." Quoth I, "Send other than I of thy sons." But he would not consent to this and reviled me and insisted upon me, till the matter came to such a pass with him that he took a whip and fell to beating me. So I arose and taking a riding-camel, mounted her and sallied forth at a venture, purposing to go out into the deserts and return to him no more. I fared on all my night [and the next day] and coming at eventide to [the encampment of] this my wife's people, alighted down with her father, who was a very old man, and became his guest..?Story of Abou Sabir..As the version of the sixth and seventh voyages of Sindbad the Sailor contained in (197) the Calcutta Edition (1814-18) of the first two hundred Nights and in the text of the Voyages published by M. Langles (Paris, 1814) differs very materially from that of the complete Calcutta (1839-42) Edition (198) (which is, in this case, practically identical with those of Boulac and Breslau), adopted by me as my standard text in the translation of "The Book of the Thousand Nights and One Night," the story of the seventh voyage in particular turning upon an altogether different set of incidents, related nearly as in the old version of M. Galland, I now give a translation of the text of the two voyages in question afforded by the Calcutta (1814-18) Edition, corrected and completed by collation with that of M. Langles, from which it differs only in being slightly less full. It will be observed that in this version of the story the name Sindbad is reserved for the Sailor, the porter being called Hindbad..When she had made an end of her song, Sherareh was moved to exceeding delight and drinking off her cup, said to her, 'Well done, O gift of hearts!' Then she ordered her an hundred dresses

of brocade and an hundred thousand dinars and passed the cup to Queen Wekhimeh. Now she had in her hand somewhat of blood-red anemone; so she took the cup from her sister and turning to Tuhfeh, said to her, 'O Tuhfeh, sing to me on this.' Quoth she, 'I hear and obey,' and improvised the following verses: Ye are the pleasaunce of my soul; or present though you be Or absent from me, still my heart and thought with you remain. e. Story of the Portress lxvii. King's Daughter of Baghdad, El Abbas and the, iii. 53. Your coming to-me-ward, indeed, with "Welcome! fair welcome!" I hail. Your sight to me gladness doth bring and banisheth sorrow and bale;. When the banquet was ended and the folk had dispersed, the king said to El Abbas, "I would fain have thee [abide] with me and I will buy thee a house, so haply we may requite thee the high services for which we are beholden to thee; for indeed thy due is imperative [upon us] and thy worth is magnified in our eyes; and indeed we have fallen short of thy due in the matter of distance." (83) When the prince heard the king's speech, he rose and sat down (84) and kissing the earth, returned thanks for his bounty and said, "I am the king's servant, wheresoever I may be, and under his eye." Then he recounted to him the story of the merchant and the manner of the buying of the house, and the king said, "Indeed, I would fain have had thee with me and in my neighbourhood." When the king heard this, he was certified that the youth was his very son; so he cried out at the top of his voice and casting himself upon him, embraced him and wept and said, "Had I put thee to death, as was my intent, I should have died of regret for thee." Then he cut his bonds and taking his crown from his head, set it on that of his son, whereupon the people raised cries of joy, whilst the trumpets sounded and the drums beat and there befell a great rejoicing. They decorated the city and it was a glorious day; the very birds stayed their flight in the air, for the greatness of the clamour and the noise of the crying. The army and the folk carried the prince [to the palace] in magnificent procession, and the news came to his mother Behrjaur, who came forth and threw herself upon him. Moreover, the king bade open the prison and bring forth all who were therein, and they held high festival seven days and seven nights and rejoiced with a mighty rejoicing; whilst terror and silence and confusion and affright fell upon the viziers and they gave themselves up for lost. THE SEVENTH VOYAGE OF SINDBAD THE SAILOR. So Iblis the Accursed drank and said, 'Well done, O desire of hearts! but thou owest me yet another song.' Then he filled the cup and signed to her to sing. Quoth she, 'Harkening and obedience,' and sang the following verses: Quoth Alaeddin, "Thou counsellest well," and locking up his shop, betook himself to the place before the citadel, where he foregathered with the drummers and pipers and instructed them how they should do, [even as his mistress had counselled him,] promising them a handsome reward. So they answered him with "Harkening and obedience" and on the morrow, after the morning-prayer, he betook himself to the presence of the Cadi, who received him with obsequious courtesy and seated him beside himself. Then he turned to him and fell to conversing with him and questioning him of matters of selling and buying and of the price current of the various commodities that were exported to Baghdad from all parts, whilst Alaeddin replied to him of all whereof he asked him. When Tuhfeh heard this, she fell to weeping and wailing and said, 'By Allah, nought irketh me save separation from my lord Er Reshid; but, when I am dead, let the world be ruined after me.' And she doubted not in herself but that she was lost without recourse. Then Meimoun set forth with his army and departed in quest of the hosts [of the Jinn], leaving none in the palace save his daughter Jemreh and Tuhfeh and an Afrit who was dear unto him. They fared on till they met with the army of Es Shisban; and when the two hosts came face to face, they fell upon each other and fought a passing sore battle. After awhile, Es Shisban's troops began to give back, and when Meimoun saw them do thus, he despised them and made sure of victory over them. 30. Maan ben Zaideh and the Bedouin dxxxii. So she sent for him in private and said to him, 'I purpose to do thee a service, so thou canst but keep a secret.' He promised her all that she desired and she discovered to him her secret in the matter of her daughter, saying, 'I will marry thee to her and commit to thee the governance of her affair and make thee king and ruler over this city.' He thanked her and promised to uphold all that she should order him, and she said to him, 'Go forth to such an one of the neighbouring provinces privily.' So he went forth and on the morrow she made ready bales and gear and presents and bestowed on him a great matter, all of which they loaded on the backs of camels. When her husband heard this, he said to her, 'What is thy name and what are the names of thy father and mother?' She told him their names and her own, whereby he knew that it was she whose belly he had slit and said to her, 'And where are thy father and mother?' 'They are both dead,' answered she, and he said, 'I am that journeyman who slit thy belly.' Quoth she, 'Why didst thou that?' And he replied, 'Because of a saying I heard from the wise woman.' 'What was it?' asked his wife, and he said, 'She avouched that thou wouldst play the harlot with a hundred men and that I should after take thee to wife.' Quoth she, 'Ay, I have whored it with a hundred men, no more and no less, and behold, thou hast married me.' 'Moreover,' continued her husband, 'the wise woman foresaid, also, that thou shouldst die, at the last of thy life, of the bite of a spider. Indeed, her saying hath been verified of the harlotry and the marriage, and I fear lest her word come true no less in the matter of thy death.' h. Ilan Shah and Abou Temam cccclxvi. The following story occupies the last five Nights (cxv-cc) of the unfinished Calcutta Edition of 1814-18. The only other text of it known to me is that published by Monsieur Langles (Paris, 1814), as an appendix to his Edition of the Voyages of Sindbad, and of this I have freely availed myself in making the present translation, comparing and collating with it the Calcutta (1814-18) Text and filling up and correcting omissions and errors that occur in the latter. In the Calcutta (1814-18) Text this story (Vol. II. pp. 367-378) is immediately succeeded by the Seven Voyages of Sindbad (Vol. II. pp. 378-458), which conclude the work. Thou that wast absent from my stead, yet still with me didst bide, iii. 46. Then she carried him up [to the estrade] and seating him on the couch, brought him meat and wine and gave him to drink; after which she put off all that was upon her of raiment and jewels and tying them up in a handkerchief, said to him, "O my lord, this is thy portion, all of it." Moreover she turned to the Jew and said to him, "Arise, thou also, and do even as I." So he arose in haste and went out, scarce crediting his deliverance. When the girl was assured of his escape, she put out her hand to her clothes [and jewels] and taking them, said to the prefect, "Is the requital of kindness other than kindness? Thou hast deigned [to visit me and eat of my victual]; so now arise and depart from us without ill-[doing]; or I will give one cry and all who are in the street will come forth." So the Amir went out from her, without having gotten a single dirhem; and on this wise she delivered the Jew by the excellence of her contrivance. Ramazan in my life ne'er I fasted, nor e'er, i. 49.
