Sea Otter sped south; they met summer squalls and choppy seas, but never a storm or a troublesome wind. They put off and took on cargo at ports on the north shore of O, at Ilien, Leng, Kamery, and O Port, and then headed west to carry the passengers to Roke. And facing the west Ivory felt a little hollow at the pit of his stomach, for he knew all too well how Roke was guarded. He knew neither he nor the weatherworker could do anything at all to turn the Roke-wind if it blew against them. And if it did. Dragonfly would ask why? Why did it blow against them?. Was this still architecture, or mountain-building? They must

Since the name of the person is the person, in the most literal and absolute sense, anyone who knows it has real power, power of life and death, over the person. Often a true name is never known to anybody but the giver and to the owner, who both keep it secret all their life. The power to give the true name and the imperative to keep it secret are one. True names have been betrayed, but never by the name giver. . . . "Come to the fire," she said. Irioth came and sat down on the settle. . . . out, past the Armed Cliffs! Good luck to you."
