The dark sea was so quiet that the stars were reflected here and there on the sleek lee side of the long swells. Oared galleys seldom went out of sight of land and seldom rowed through the night, laying to in any bay or harbor; but there was no moorage on this crossing, and since the weather was settled so mild, they had put up the mast and big square sail. The ship drifted softly forward, her slave oarsmen sleeping on their benches, the free men of her crew all asleep but the helmsman and the lookout, and the lookout was dozing. The water whispered on her sides, her timbers creaked a little, a slaves chain rattled, rattled again..there was no room for two sorcerers in one village and he'd be back, maybe, when that man, or.Quite early on, impatient with wooing her massive physical indifference, he had worked up a charm, a sorcerer's seduction-spell of which he was contemptuous even as he made it, though he knew it was effective. He cast it on her while she was, characteristically, mending a cow's halter. The result had not been the melting eagerness it had produced in girls he had used it on in Havnor and Thwil. Dragonfly had gradually become silent and sullen. She ceased asking her endless questions about Roke and did not answer when he spoke. When he very tentatively approached her, taking her hand, she struck him away with a blow to the head that left him dizzy. He saw her stand up and stride out of the stableyard without a word, the ugly hound she favoured trotting after her. It looked back at him with a grin..back into death and left us here alive - what would we do? What comes next?"".But I know I have -I have something to do, to be. That's why I wanted to come here.
