Hemlock might have known then what he was up against; but having told the boy he would not be his master any longer, he could not in conscience command him. "You have a true gift, Essiri," he said, using the name he had given the boy in the springs of the Amia, a word that in the Old Speech means Willow. "I don't entirely understand it. I think you don't understand it at all. Take care! To misuse a gift, or to refuse to use it, may cause great loss, great harm." Of them all it was the Herbal, the healer, who was the first to move. He went up the path and knelt down by Thorion. "My lord," he said, "my friend." Ivory departed. He did not return for two days. On the third day he rode experimentally past Old. isn't saved, isn't taught? If books could be brought together in one place...". She stood up, almost as tall as he, and as straight. She said nothing for a minute and then spoke out in a high, harsh voice. "Come up on to the hill, Thorion," she said. "Flew away?". They came ashore in Ilien for water and food. Setting a host of many hundreds of men on its way so quickly had left little time for provisioning the ships. They overran the towns along the west shore of Ilien, taking what they wanted, and did the same on Vissti and Kamery, looting what they could and burning what they left. Then the great fleet turned west, heading for the one harbor of Roke Island, the Bay of Thwil. Early knew of the harbor from the maps in Havnor, and knew there was a high hill above it. As they came nearer, he took dragon form and soared up high above his ships, leading them, gazing into the west for the sight of that hill. large warmth. "Will you lead me, dear Ulla? Will you lead me where I need to go?". He had a way with her cows that was wonderful. When he was there and she needed a hand, he took Berry's place, and as she told her friend Tawny, laughing, he

was cannier with the cows than Bren's old dog had been. "He talks to em, and I'll swear they consider what he says. And that heifer follows him about like a puppy." Whatever he was doing out on the ranges with the beeves, the cattlemen were coming to think well of him. Of course they would grab at any promise of help. Half San's herd was dead. Alder would not say how many head he had lost. The bodies of cattle were everywhere. If it had not been cold weather the Marsh would have reeked of rotting flesh. None of the water could be drunk unless you boiled it an hour, except what came from the wells, hers here and the one in the village, which gave the place its name.. "Why? Don Quixote sets out.They would ask all the other Masters to meet with them in the Grove. "But he won't come," Deyala.It was hard work out in the pastures. "Who doesn't do hard work?" Emer had asked, showing her round, strong arms, her hard, red hands. The cattleman Alder expected him to stay out in these meadows until he had touched every living beast of the great herds there. Alder had sent two cowboys along. They made a camp of sorts, with a groundcloth and a half tent. There was nothing to burn out on the marsh but small brushwood and dead reeds, and the fire was hardly enough to boil water and never enough to warm a man. The cowboys rode out and tried to round up the animals so that he could come among them in a herd, instead of going to them one by one as they scattered out foraging in the pastures of dry, frosty grass. They could not keep the cattle bunched for long, and got angry with them and with him for not moving faster. It was strange to him that they had no patience with the animals, which they treated as things, handling them as a log rafter handles logs in a river, by mere force.....".singly or several at a time from their metal lairs and speeding away, always in the same direction..learned or had discovered for himself.
