He had come west, leaving all he knew behind him, and had learned his true name from the trees of the Immanent Grove, and become the Patterner of Roke, All this year the patterns of the shadows and the branches and the roots, all the silent language of his forest, had spoken of destruction, of transgression, of all things changed. Now it was upon them, he knew. It had come with her..The Patterner pushed four pebbles into a little curve on the sand and said, "I wish the Sparrowhawk had not gone. I wish I could read what the shadows write. But all I can hear the leaves say is change, change... Everything will change but them." He

The ewe sighed deeply and suddenly walked out of the yard, heading for home. She had had enough of medicine. "Bucky!" Rose shouted. A grubby child appeared from under a bush where he had been asleep and trailed after the ewe, of whom he was nominally in charge although she was older, larger, better fed, and probably wiser than he was.."Let me in, mother," he whispered in the tongue that was as old as the hill.
