That is of just how your readers can be influenced by mcdougal outside of each theory coded in your 21, one of the outcomes. And that ebook is extremely had to read through, some times detail by detail, it might be perfect for you and your life. ? ? ? ? ? I am a man in whom good faith's a natural attribute; The deeds of every upright man should with his speech agree..Malice, Of Envy and, i. 125..N.B.--The Roman numerals denote the volume, the Arabic the page.Then he girt his middle with a handkerchief and entering, saluted the young merchant, who said to him, 'Where hast thou been?' Quoth he, 'I have done thine errands;' and the youth said, 'Go and eat and come hither and drink.' So he went away, as he bade him, and ate. Then he washed and returning to the saloon, sat down on the carpet and fell to talking with them; whereupon the young merchant's heart was comforted and his breast dilated and he addressed himself to joyance. They abode in the most delightful life and the most abounding pleasance till a third part of the night was past, when the master of the house arose and spreading them a bed, invited them to lie down. So they lay down and the youth abode on wake, pondering their affair, till daybreak, when the woman awoke and said to her companion, 'I wish to go.' So he bade her farewell and she departed; whereupon the master of the house followed her with a purse of money and gave it to her, saying, 'Blame not my master,' and made his excuse to her for the young merchant..So they carried him into the city and hid him with them. Moreover, they agreed with a company of the king's chief officers, who had aforetime been those of Bekhtzeman, and acquainted them with this; whereat they rejoiced with an exceeding joy. Then they assembled together to Bekhtzeman and made a covenant and handfast [of fealty] with him and fell upon the enemy at unawares and slew him and seated King Bekhtzeman again on the throne of his kingship. And his affairs prospered and God amended his estate and restored His bounty to him, and he ruled his subjects justly and abode in the obedience of the Most High. On this wise, O king," continued the young treasurer, "he with whom God is and whose intent is pure, meeteth nought but good. As for me, I have no helper other than God, and I am content to submit myself to His ordinance, for that He knoweth the purity of my intent." Then El Abbas took leave of the king and went away to his own house. Now it befell that he passed under the palace of Mariyeh the king's daughter, and she was sitting at a window. He chanced to look round and his eyes met those of the princess, whereupon his wit departed and he was like to swoon away, whilst his colour changed and he said, "Verily, we are God's and to Him we return!" But he feared for himself lest estrangement betide him; so he concealed his secret and discovered not his case to any of the creatures of God the Most High. When he reached his house, his servant Aamir said to him, "O my lord, I seek refuge for thee with God from change of colour! Hath there betided thee a pain from God the Most High or hath aught of vexation befallen thee? Verily, sickness hath an end and patience doth away vexation." But the prince returned him no answer. Then he brought out inkhorn [and pen] and paper and wrote the following verses:..Then the Khalif took him into his especial favour and married him and bestowed largesse on him and lodged him with himself in the palace and made him of the chief of his boon-companions, and indeed he was preferred with him above them and the Khalif advanced him over them all. Now they were ten in number, to wit, El Ijli and Er Recashi and Ibdan and Hassan el Feresdec and El Lauz and Es Seker and Omar et Tertis and Abou Nuwas (34) and Abou Ishac en Nedim and Aboulhusn el Khelia, and by each of them hangeth a story that is told in other than this book. And indeed Aboulhusn became high in honour with the Khalif and favoured above all, so that he sat with him and the Lady Zubeideh bint el Casim and married the latter's treasurers, whose name was Nuzhet el Fuad..All this, O my brother,' continued the merchant, 'befell because the locust had no knowledge of the secret essence that lieth hid in apparent bodies. As for thee, O my brother, (may God requite thee with good!) thou wast subtle in device and usedst precaution; but precaution sufficeth not against fate, and fortune fore-ordained baffleth contrivance. How excellent is the saying of the poet! And he recited the following verses:..The king took his wife, the mother of his sons, and what he might [of good] and saved himself and fled in the darkness of the night, unknowing whither he should go. When travel grew sore upon them, there met them robbers by the way, who took all that was with them, [even to their clothes], so that there was left unto each of them but a shirt and trousers; yea, they left them without victual or camels or [other] riding-cattle, and they ceased

not to fare on afoot, till they came to a coppice, to wit, a garden of trees, on the shore of the sea. Now the road which they would have followed was crossed by an arm of the sea, but it was scant of water. So, when they came to that place, the king took up one of his children and fording the water with him, set him down on the other bank and returned for his other son. Him also he set by his brother and returning for their mother, took her up and passing the water with her, came to the place [where he had left his children], but found them not. Then he looked at the midst of the island and saw there an old man and an old woman, engaged in making themselves a hut of reeds. So he put down his wife over against them and set off in quest of his children, but none gave him news of them and he went round about right and left, but found not the place where they were..? ? ? ? ? i The Ninth Officer's Story dccccxxviii. After three days, the old woman came to him and bringing him the [thousand dinars, the] price of the stuffs, demanded the casket. (122) When he saw her, he laid hold of her and carried her to the prefect of the city; and when she came before the Cadi, he said to her, "O Sataness, did not thy first deed suffice thee, but thou must come a second time?" Quoth she, "I am of those who seek their salvation (123) in the cities, and we foregather every month; and yesterday we foregathered." "Canst thou [bring me to] lay hold of them?" asked the prefect; and she answered, "Yes; but, if thou wait till to-morrow, they will have dispersed. So I will deliver them to thee to-night." Quoth he to her, "Go;" and she said, "Send with me one who shall go with me to them and obey me in that which I shall say to him, and all that I bid him he shall give ear unto and obey me therein." So he gave her a company of men and she took them and bringing them to a certain door, said to them, "Stand at this door, and whoso cometh out to you, lay hands on him; and I will come out to you last of all." "Harkening and obedience," answered they and stood at the door, whilst the old woman went in. They waited a long while, even as the Sultan's deputy had bidden them, but none came out to them and their standing was prolonged. When they were weary of waiting, they went up to the door and smote upon it heavily and violently, so that they came nigh to break the lock. Then one of them entered and was absent a long while, but found nought; so he returned to his comrades and said to them, "This is the door of a passage, leading to such a street; and indeed she laughed at you and left you and went away." When they heard his words, they returned to the Amir and acquainted him with the case, whereby he knew that the old woman was a crafty trickstress and that she had laughed at them and cozened them and put a cheat on them, to save herself. Consider, then, the cunning of this woman and that which she contrived of wiles, for all her lack of foresight in presenting herself [a second time] to the draper and not apprehending that his conduct was but a trick; yet, when she found herself in danger, she straightway devised a shift for her deliverance..? ? ? ? ? Could they who reproach me but see my sufferings, their hearts would relent; They'd marvel, indeed, at my case and the loss of my loved ones bewail..When the poor man heard the merchant's story, he became desirous of marrying his daughter. So he took her to wife and was vouchsafed of her exceeding love. Nor," added the vizier, "is this story more extraordinary than that of the rich man and his wasteful heir." Thereupon there sallied forth to him Zuheir ben Hebib, and they wheeled about and fainted awhile, then came to dose quarters and exchanged strokes. El Harith forewent his adversary in smiting and stretched him weltering in his gore; whereupon Hudheifeh cried out to him, saying, "Gifted of God art thou, O Harith! Call another of them." So he cried out, saying, "Is there a comer-forth [to battle?]" But they of Baghdad held back from him; and when it appeared to El Harith that confusion was amongst them, he fell upon them and overthrew the first of them upon their last and slew of them twelve men. Then the evening overtook him and the Baghdadis addressed themselves to flight..Man and his Fair Wife, The Foul-favoured, ii. 61..? ? ? ? ? How many a mirth-exciting joy amid The raiment of ill chances lies in wait!..? ? ? ? ? p. The Idiot and the Sharper dccccv. On the morrow, the Commander of the Faithful sat [in his hall of audience] and his Vizier Jaafer ben Yehya the Barmecide came in to him; whereupon he called to him, saying, "I would have thee bring me a youth who is lately come to Baghdad, hight [Sidi Nouredin Ali] the Damascene." Quoth Jaafer, "Harkening and obedience," and going forth in quest of the youth, sent to the markets and khans and caravanserais three days' space, but found no trace of him, neither lit upon tidings of him. So on the fourth day he presented himself before the Khalif and said to him, "O our lord, I have sought him these three days, but have not found him." Quoth Er Reshid, "Make ready letters to Damascus. Belike he hath returned to his own land." So Jaafer wrote a letter and despatched it by a dromedary-courier to the city of Damascus; and they sought him there and found him not..? ? ? ? ? Whenas its jar was opened, the singers prostrate fell In worship of its brightness, it shone so wonder-clear..26. The City of Lebtait cclxxii. There was once, in a city of Hind, a just and beneficent king, and he had a vizier, a man of understanding, just in his judgment, praiseworthy in his policy, in whose hand was the governance of all the affairs of the realm; for he was firmly established in the king's favour and high in esteem with the folk of his time, and the king set great store by him and committed himself to him in all his affairs, by reason of his contrivance for his subjects, and he had helpers (253) who were content with him..The news came to the rest of the kings; so they [flew after him and] overtaking him, found him full of trouble and fear, with fire issuing from his nostrils, and said to him, 'O Sheikh Aboutawaif, what is to do?' Quoth he, 'Know that Meimoun hath carried off Tuhfeh from my palace and outraged mine honour.' When they heard this, they said, 'There is no power and no virtue but in God the Most High, the Supreme! By Allah, he hath ventured upon a grave matter and indeed he destroyeth himself and his people!' Then the Sheikh Iblis gave not over flying till he fell in with the tribes of the Jinn, and there gathered themselves together unto him much people, none may tell the tale of them save God the Most High. So they came to the Fortress of Copper and the Citadel of Lead, (238) and the people of the strongholds saw the tribes of the Jinn issuing from every steep mountain-pass and said, 'What is to do?' Then Iblis went in to King Es Shisban and acquainted him with that which had befallen, whereupon quoth he, 'May God destroy Meimoun and his folk! He thinketh to possess Tuhfeh, and she is become queen of the Jinn! But have patience till we contrive that which befitteth in the matter of Tuhfeh.' Quoth Iblis, 'And what befitteth it to do?' And Es Shisban said, "We will fall upon him and slay him and his people with the sword." Shehrazad and Shehriyar, ii. 111, iii. 141, 157..Then he thrust his feet into boots and girt him with a sword and a girdle and bound about his middle a quiver and a bow and arrows. Moreover, he put money in his pocket and thrust into his sleeve letters-patent addressed to the governor of Ispahan, bidding him assign to Rustem Khemartekeni a monthly allowance of a hundred dirhems and ten pounds of bread and five pounds of meat and enrol him among the Turks under his commandment. Then he took him up and carrying him forth, left him in one of the mosques..? ? ? ? ? Light of mine eyes, my hope, my wish, my thirsting eyes With looking on thy face can never sate their drought..? ? ? ? ? Thou taught'st me what I cannot bear; afflicted sore am I; Yea, thou hast wasted me away with rigour and despite..? ? ? ? ? Woe's me for one who burns for love and longing pain! Alas for the regrets my heart that rend and tear! Then the king assembled his nobles and commons and the astrologers and said to them, 'Know that what God hath graven upon the forehead, be it fair fortune or calamity, none may avail to efface, and all that is decreed unto a man he must needs abide.

Indeed, this my caretaking and my endeavour profited me nought, for that which God decreed unto my son, he hath abidden and that which He decreed unto me hath betided me. Nevertheless, I praise God and thank Him for that this was at my son's hand and not at the hand of another, and praised be He for that the kingship is come to my son! And he strained the youth to his breast and embraced him and kissed him, saying, 'O my son, this matter was on such a wise, and of my care and watchfulness over thee from destiny, I lodged thee in that pit; but caretaking availed not.' Then he took the crown of the kingship and set it on his son's head and caused the folk and the people swear fealty to him and commended the subjects to his care and enjoined him to justice and equity. And he took leave of him that night and died and his son reigned in his stead.. This is idle talk,' answered the cook. 'Thou canst not deliver thyself with this, O youth, for that in thy deliverance is my destruction.' Quoth Selim, 'I swear to thee and give thee the covenant of God (to whom belong might and majesty) and His bond, that He took of His prophets, that I will not discover thy secret ever.' But the cook answered, saying, 'Away! Away! This may no wise be.' However, Selim ceased not to conjure him and make supplication to him and weep, while the cook persisted in his intent to slaughter him. Then he wept and recited the following verses:.Some with religion themselves concern and make it their business all, i. 48..? ? ? ? ? Pardon of God for everything I crave, except thy love, For on the day of meeting Him, that will my good deed be.
