Quite early on, impatient with wooing her massive physical indifference, he had worked up a charm, a sorcerer's seduction-spell of which he was contemptuous even as he made it, though he knew it was effective. He cast it on her while she was, characteristically, mending a cow's halter. The result had not been the melting eagerness it had produced in girls he had used it on in Havnor and Thwil. Dragonfly had gradually become

silent and sullen. She ceased asking her endless questions about Roke and did not answer when he spoke. When he very tentatively approached her, taking her hand, she struck him away with a blow to the head that left him dizzy. He saw her stand up and stride out of the stableyard without a word, the ugly hound she favoured trotting after her. It looked back at him with a grin. There were hundreds of Truce Places on the Four Lands, where no warfare or dispute was permitted. Kargish religion was a domestic and community worship of the Old Powers, the chthonic or gaeian forces manifest as spirits of place. They were worshiped at the site and at home altars with offerings of flowers, oil, food, dances, races, sacrifices, carvings, songs, music, and silence. Worship was both casual and ritual, private and communal. There was no priesthood; any adult could perform the ceremonies and teach children to do so. This ancient spiritual practice has continued, unofficially and sometimes in hiding, under the newer, institutional religions of the Twin Gods and the Godking..Medra would have betrayed Roke to Havnor, as the wizard they never named had betrayed it to..He nodded. "Left myself halfway," he said. He looked up; the Patterner was coming towards them..These legends are best preserved in Hur-at-Hur, the easternmost of the Kargad Lands, where dragons have degenerated into animals without high intelligence. He was determined now not to win her, but to defeat her. He could not let her defeat him. He must prove to her and himself that his dreams were meaningless.. "I could fly there as a tern and be back on the ship before daylight," he said to himself, but idly. He was bound for O Port. Ruined lands were all too common. No need to fly to seek them.
