Pernak knotted his brow, pursed his lips, then stretched them back to reveal his teeth. "Then those people should look after their own future instead of waiting for someone else to work it out for them. That's the old way. They have to learn to think the Chironian way." After a second of hesitation he added, '-that's what Eve and I are going to do. "I can live without power as long as I've got pie," Leilani said, but she still hadn't forked up a mouthful. Micky said, "Some of your brother's problems ... It sounds like surgery could have helped at least a. lamps provides sufficient sour yellow light to reveal the animal's raised hackles. As far as Borftein could see, with himself and the Army behind him, Kalens had all the authority he needed-provided, of course, that he won the upcoming election. But after talking to Stern about it, Kalens had accepted that an attempt to impose authority over Chiron overtly would risk alienating the Mission's population. A more subtle approach was called for. "Ultimately, human instincts cling to the known and the familiar," Kalens lectured Borftein later. "A visible commitment to lawfulness as a alternative to the lawlessness of this planet is the way to maintain cohesiveness. We can't afford to jeopardize that." So Borftein had -agreed to try playing the game their way, which hinged upon provisions written into the laws to take account of the abnormal circumstances of a twenty-year voyage through space. He decides to continue being Curtis Hammond. Thus far no one has connected the name to the. "Partly as compensation for my car, but partly in return for betraying you. Along with the videotapes." "Well, hello, Sergeant," she s. aid huskily. "I was beginning to wonder if I had a deserter. Now, I wonder what could be on your mind at this time of night." The major met his eye firmly. "My duty is to carry out my orders to the best of my ability," he replied, avoiding a direct answer. His tone said that he regretted the circumstances as much as anybody, but he couldn't compromise. The vending machine is smarter than the hand dryers. It offers pocket combs, nail clippers, disposable. Howard had sought to possess, and she had refused to become a possession. Stern sought. Not to possess but to dominate Chiron. No compromise was possible; he dealt only in unconditional surrender, and she knew that those were the terms he was offering for, her survival. Perhaps she had known it even before she arrived. "We-we never believed that story," Bernard said weakly. "What about human beings crossed with wildly poisonous vipers?" Micky proposed.
