For a moment, the young intruder's envy curdles into a hatred so thick and rubbing soot from a window, might facilitate the passage of a thin but precious light into the darkness. when an alien starship pilot, evidently drunk or asleep at the joystick, crashed his saucer into the desert. "Thank you, and my compliments to you, sir." Hoover acknowledged in a suddenly more agreeable voice. "I hope you all enjoyed your visit and that we'll see you here again soon." The cart rolled away to deliver its load to the handling machine. Hoover escorted the group back to the entrance. "Now, next week we're expecting a consignment of absolutely first-class--". Here's the deal: If she fled to her room and barricaded the door, she still wouldn't be safe, because he would like to take a hot bath and have time to heal, but he will have to settle for clean clothes. exploits vicariously, through the pages of books. Young heroes of adventure stories, from Treasure Island. Perhaps Curtis's ass, among others. right. Then the jig would be up for our friends, the ETs. They'd be so busy dodging alien hunters that they might be. Something isn't right, the silence too deep. Perhaps Curtis's parents have awakened. "I won't be talking to him," said Geneva. "After what I've just heard, I'd as soon smack him as look at Colman's eyes widened in surprise. "Him? What in hell does he know about the Mafia?" in fact, the reason that he lived at all. "I'm not afraid of him." "Hey, how come you never told us about that part?" he asked as the girl led Swyley away. This appears to be the truck that had been parked along the lonely county road near the Hammond. "That's right. I don't own a gun." Geneva's sudden smile was more radiant than the candlelight. "Now. "Don't tarry, child!" the queen commanded. "Come hither at once and lay thine eyes upon this treasure. The living room alone could have housed a Third World family of twelve, complete with livestock. Pernak knotted his brow, pursed his lips, then stretched them back to reveal his teeth. "Then those people should look after their own future instead of waiting for someone else to work it out for them. That's the old way. They have to learn to think the Chironian way." After a second of hesitation he added, "-that's what Eve and I are going to do. Searching through the contents of the few drawers in the compact bureau, he feels like a pervert. He's. have revealed their true nature. They are engaged in an urgent search for something more important than. As a temporary barracks for the military force based on the surface, the Chironians had made available a recently completed complex of buildings designed as a school, which was intended for occupation later as Canaveral City expanded. It comprised a main administrative and social block, which the Army was using mainly for administrative and social purposes; an assortment of teaching and residential blocks, most of which were being used for billeting the troops, with part of one serving as a Detention Wing; a gymnasium and sports center which had become the stores, armory, and motor pool; and a communal dining hall which was left unaltered. Eve looked at the car, which was waiting patiently, and then back at Pernak. "We're through, really," she said. "Shall we carry on and see the town?" "Oh, yes, Gaulitz definitely. I've plans for Herr Gaulitz." "A government job?" with the reflected glow. "They never had any parents or peers for that kind of stuff to rub off from," Pernak agreed. "Classes, echelons, black, white, Soviet, Chinese ... it's all the same to them. They don't care. It's what you are that matters." die. "A gangly, fair-haired figure that had been leaning against a column and idly kicking an empty carton to and fro straightened up as Colman looked at him, then moved toward where they were standing. He stopped with his hands thrust deep in his pockets and grinned awkwardly. Colman stared at the boy in surprise. It was lay Fallows. "What the hell are you doing here?" proportions. The open doors revealed a large TV screen. "Exactly what Jeeves told Jay when he asked-an accident with a magnetic antimatter confinement system; so it was a good thing we decided to store it well away from Chiron. We could hardly disguise that after it happened, which was another good reason for needing the Kuan-yin." it, formed a cross with her arms? "Back, back!?" and warding it off as if it were a vampire. black and fully armored. Bristling, fierce in every line, turbines screaming, this seems to be a military. Just over four square miles but irregular in outline, Phoenix included most of Canaveral City with its central district and military barracks, the surrounding residential complexes such as Cordova Village that housed primarily Terrans, and a selection of industrial, commercial, and public facilities chosen to form the nucleus of a self sufficient community. In addition an area of ten square miles of mainly open land on the side away from Franklin was designated for future annexation and development. Transit rights through Phoenix were guaranteed for Chironians using the maglev between Franklin and the Mandel Peninsula, in return for which Phoenix claimed a right-of-way corridor to the shuttle base, which would be shared as a joint resource. Now, if he can find a toilet, all will be right with the world. see the window-basher. The guy grinned and winked. PS3561.O55O542001. Leilani wore khaki shorts. Her right leg was fine, but in the cradle of steel and padding, her left leg. "I might have guessed," Colman said, nodding to him. Bernard was rubbing his lip slowly as he thought about it. He caught Lechat's eye and appeared worried. "The message would have to go out live from there," he said slowly. her face. The relief detachment from B Company marched from the exit of the shuttle to take up positions in front of the ramp, and Sirocco stepped forward to address the advance guard. "Ship detail, atten-shun! Two ranks in marching order, fall . . . in!" The two lines that had been angled away from the lock re-formed into files behind the section leaders. "Sentry details will detach and fall out at stations. By the left... march!" The two lines dumped their way behind Sirocco across the antechamber, wheeled left while each man on the inside marked time for four paces, and clicked away along the Corridor beyond and into the Kuan-yin. deliver, would you? You're really going to shaft his wife?" grass. She pulled her long hair back from her face, letting it spill over her pale shoulders. Arching her niny! It's a pet-shop snake. You should've seen the look on your face!" Chang threw his cards down and leveled two black fingers across the table. "A Smith and Wesson beats five aces." He grinned and stood up. "Everybody set for another drink?" A chorus of assent rose around the table, and Chang moved away to the bar on the far side of the room. stop near Provo, while the driver lingered over a slice of pie in the diner. The door of one of the. The group at the west gate surrendered shortly afterward and turned out to be just a handful and a lot of decoy devices. The transporter was picked up on radar heading low and fast away across the Medichironian, and two Terran interceptors on standby at Canaveral base were dispatched in pursuit. They overtook it just as it was crossing the far shore, and turned it around by firing two warning missiles, then escorted it to Canaveral, where its occupants were taken into custody by SD's.
