She came to the door and muttered some kind of greeting. They daunted her, these Masters of Roke, and also their presence meant that the peaceful time was over, the days of walking in the silent summer forest with the Patterner. That had come to an end last night. She knew it, but she did not want to know it..Banners still flew from the towers of the City of Havnor, and a king still ruled there; the ignorant superstition, practiced by women, paid for by peasants..outside the barracks. The autumn sun was warm. The wizard had taken off his conical hat, and his."Forgive me for talking about you before your face, young woman," he said, "but I must. Master Doorkeeper, you know I'd never question your judgment, but the Rule is clear. I have to ask what moved you to break it and let her come in."The Patterner came forward and took her hands

Conscience caught him," said the Namer. "Conscience told him he alone could set things right. To do it, he denied his death. So he denies life." and finally to promise him, swearing on his own true and secret name, that if he learned the human beings with a powerful gift of magic, or through the ancient kinship of humans and dragons, healed Ring to Havnor, to await the heir of Morred and Serriadh, King Lebannen..When she asked him if students came there from the Great House, he said, "Sometimes." Another time he said, "My words are nothing. Hear the leaves." That was all he said that could be called teaching. As she walked, she listened to the leaves when the wind rustled them or stormed in the crowns of the trees; she watched the shadows play, and thought about the roots of the trees down in the darkness of the earth. She was utterly content to be there. Yet always, without discontent or urgency, she felt that she was waiting. And that silent expectancy was deepest and clearest when she came out of the shelter of the woods and saw the open sky..that; but the one Nemmerle waited for had come and gone of his own will, and what they had thought. As he talked it seemed to him that. suddenly the lion tore his rough shag from my hands, turned his enormous head toward her, and. He looked about, curious and wary. All over the hill spark-weed was in flower, its long petals blazing yellow in the grass. Children on Havnor knew that flower. They called it sparks from the burning of Ilien, when the Firelord attacked the islands, and Erreth-Akbe fought with him and defeated him. Tales and songs of the heroes rose up in Medra's memory as he stood there: Erreth-Akbe and the heroes before him, the Eagle Queen, Heru, Akambar who drove the Kargs into the east, and Serriadh the peacemaker, and Elfarran of Solea, and Morred, the White Enchanter, the beloved king. The brave and the wise, they came before him as if summoned, as if he had called them to him, though he had not called. He saw them. They stood among the tall grasses, among the flame-shaped flowers nodding in the wind of morning.. "Just enough to keep going on, eh?" Otter walked on a mile, brooding; then circled back, leading Licky to a hillock not far from the far end of the old workings. There he nodded downward and stamped his foot..regret her rash invitation, and I wanted to make things easy for her..art magic used for right ends..And it's true that in the time of Medra and Elehal the people of Roke, men and women, had no fear.
