The Drop of Honey dccccxxvi. ? ? ? ? ? How long, O Fate, wilt thou oppress and baffle me? ? ? ? ? How oft I've waked, whilst over me my comrades kept the watch! How many a stony waste I've crossed, how many a desert dread! 25. Maan ben Zaidah and the Bedouin cclxxi. ? ? ? ? ? v. The Sharpers with the Money-Changer and the Ass dccccxiv. 123. The Blacksmith who could Handle Fire without Hurt ccclxxi. When she had made an end of her song, she threw the lute from her hand and wept, whilst the old man wept for her weeping. Then she fell down in a swoon and presently coming to herself, filled the cup and drinking it off, gave the old man to drink, after which she took the lute and breaking out into song, chanted the following verses: ? ? ? ? ? Would he were not, who sundered us upon the parting-day! How many a body hath he slain, how many a bone laid bare! As he and his father were thus engaged in talk, in came his mother and caught hold of him; and he said to her, "God on thee, let me go my gait and strive not to turn me from my purpose, for that needs must I go." "O my son," answered she, "if it must be so and there is no help for it, swear to me that them wilt not be absent from me more than a year." And he swore to her. Then he entered his father's treasuries and took therefrom what he would of jewels and jacinths and everything heavy of worth and light of carriage. Moreover, he bade his servant Aamir saddle him two horses and the like for himself, and whenas the night darkened behind him, (65) he rose from his couch and mounting his horse, set out for Baghdad, he and Aamir, whilst the latter knew not whither he intended. Man who was lavish of House and Victual to One whom he knew not, The, i 293. ? ? ? ? ? m. The Boy and the Thieves dcxxvii. ? ? ? ? ? An you'd of evil be quit, look that no evil yon do; Nay, but do good, for the like God will still render to you. As for the king, he arose in haste and disguising himself, repaired to the house of Firouz and knocked at the door. Quoth Firouz's wife, "Who is at the door?" And he answered, saying, "I am the king, thy husband's master." So she opened the door and he entered and sat down, saying, "We are come to visit thee." Quoth she, "I seek refuge [with God] from this visitation, for indeed I deem not well thereof." And the king said, "O desire of hearts, I am thy husband's master and methinks thou knowest me not." "Nay," answered she, "I know thee, O my lord and master, and I know thy purpose and that which thou seekest and that thou art my husband's lord. I understand what thou wishest, and indeed the poet hath forestalled thee in his saying of the following verses, in reference to thy case: ? ? ? ? ? c. The Jewish Physician's Story cxxix. 98. Isaac of Mosul and the Merchant ccccvii. ? ? ? ? ? ee. Story of the Barber's Fifth Brother xxxii. ? STORY OF KHELBE AND HIS WIFE AND THE LEARNED MAN. So they dragged him away, what while he wept and spoke the words which whoso saith shall nowise be confounded, to wit, "There is no power and no virtue save in God the Most High, the Sublime!" When they came to the Tigris, one of them drew the sword upon him and El Muradi said to the swordbearer, "Smite off his head." But one of them, Ahmed by name, said, "O folk, deal gently with this poor wretch and slay him not unjustly and wickedly, for I stand in fear of God the Most High, lest He burn me with his fire." Quoth El Muradi, "A truce to this talk!" And Ahmed said, "If ye do with him aught, I will acquaint the Commander of the Faithful." "How, then, shall we do with him?" asked they; and he answered, "Let us deposit him in prison and I will be answerable to you for his provision; so shall we be quit of his blood, for indeed he is wrongfully used." So they took him up and casting him into the Prison of Blood, (13) went away. The Breslau Edition, which was printed from a Manuscript of the Book of the Thousand Nights and One Night alleged to have been furnished to the Editor by a learned Arab of Tunis, whom he styles "Herr M. Annaggar" (Qu're En Nejjar, the Carpenter), the lacunes found in which were supplemented from various other MS. sources indicated by Silvestre de Sacy and other eminent Orientalists, is edited with a perfection of badness to which only German scholars (at once the best and worst editors in the world) can attain. The original Editor, Dr. Maximilian Habicht, was during the period (1825- 1839) of publication of the first eight Volumes, engaged in continual and somewhat acrimonious (223) controversy concerning the details of his editorship with Prof. H. L. Fleischer, who, after his death, undertook the completion of his task and approved himself a worthy successor of his whilom adversary, his laches and shortcomings in the matter of revision and collation of the text being at least equal in extent and gravity to those of his predecessor, whilst he omitted the one valuable feature of the latter's work, namely, the glossary of Arabic words, not occurring in the dictionaries, appended to the earlier volumes. Therewithal, O my brother, the locust fell to going round about among the company of the birds, but saw nought resembling the hawk in bulk and body save the kite and deemed well of her. So she brought the hawk and the kite together and counselled the former to make friends with the latter. Now it chanced that the hawk fell sick and the kite abode with him a long while [and tended him] till he recovered and became whole and strong; wherefore he thanked her [and she departed from him]. But after awhile the hawk's sickness returned to him and he needed the kite's succour. So the locust went out from him and was absent from him a day, after which she returned to him with a [another] locust, (53) saying, "I have brought thee this one." When the hawk saw her, he said, "God requite thee with good! Indeed, thou hast done well in the quest and hast been subtle in the choice." ? ? ? ? ? q. Khelbes and his Wife and the Learned Man dccccvi. ? ? ? ? ? d. Prince Bihzad ccccliii. King of Ind and his Vizier, The, ii. 105. Thereupon the king went in to his mother and questioned her of his father, and she told him that me king her husband was weak; (211) 'wherefore,' quoth she, 'I feared for the kingdom, lest it pass away, after his death; so I took to my bed a young man, a baker, and conceived by him [and bore a son]; and the kingship came into the hand of my son, to wit, thyself.' So the king returned to the old man and said to him, 'I am indeed the son of a baker; so do thou expound to me the means whereby thou knewest me for this.' Quoth the other, 'I knew that, hadst thou been a king's son, thou wouldst have given largesse of things of price, such as rubies [and the like]; and wert thou the son of a Cadi, thou hadst given largesse of a dirhem or two dirhems, and wert thou the son of a merchant, thou hadst given wealth galore. But I saw that thou guerdonest me not but with cakes of bread [and other victual], wherefore I knew that thou wast the son of a baker.' Quoth the king, 'Thou hast hit the mark.' And he gave him wealth galore and advanced him to high estate." It is related that Ibn es Semmak (162) went in one day to Er Reshid and the Khalif, being athirst, called for drink. So his cup was brought him, and when he took it, Ibn es Semmak said to him, "Softly, O Commander of the Faithful! If thou wert denied this draught, with what wouldst thou buy it?" "With the half of my kingdom," answered the Khalif; and Ibn es Semmak said, "Drink and God prosper it to thee!" Then, when he had drunken, he said to him, "If thou wert denied the going forth of the draught from thy body, with what wouldst thou buy its issue?" "With the whole of my kingdom," answered Er Reshid: and Ibn es Semmak said, "O Commander of the Faithful, verily, a

kingdom that weigheth not in the balance against a draught [of water] or a voiding of urine is not worth the striving for." And Haroun wept..Merchant, The Unlucky, i. 73..Meanwhile, the boy [grew up and] abode with the people of the village, and when God willed the accomplishment of His ordinance, the which endeavour availeth not to avert, he went forth with a company of the villagers, to stop the way. The folk complained of them to the king, who sallied out with a company of his men and surrounded the highwaymen and the boy with them, whereupon the latter drew forth an arrow and launched it at them, and it smote the king in his vitals and wounded him. So they carried him to his house, after they had laid hands upon the youth and his companions and brought them before the king, saying, 'What biddest thou that we do with them?' Quoth he, 'I am presently in concern for myself; so bring me the astrologers.' Accordingly, they brought them before him and He said to them, 'Ye told me that my death should be by slaying at the hand of my son: how, then, befalleth it that I have gotten my death-wound on this wise of yonder thieves?' The astrologers marvelled and said to him, 'O king, it is not impossible to the lore of the stars, together with the fore-ordinance of God, that he who hath smitten thee should be thy son.' 'Thou liest, O accursed one,' cried the king and bade lay hands on him and clap him in irons. Then he turned to the two youths, his sons, and strained them to his breast, weeping sore and saying, 'O all ye who are present of cadis and assessors and officers of state, know that these twain are my sons and that this is my wife and the daughter of my father's brother; for that I was king aforetime in such a region.' And he recounted to them his history from beginning to end, nor is there aught of profit in repetition; whereupon the folk cried out with weeping and lamentation for the stress of that which they heard of marvellous chances and that rare story. As for the king's wife, he caused carry her into his palace and lavished upon her and upon her sons all that behoved and beseemed them of bounties, whilst the folk flocked to offer up prayers for him and give him joy of [his reunion with] his wife and children..So Abdulmelik went away to his house, whither he found that the money had foregone him, and on the morrow Jaafer presented himself before the Khalif and acquainted him with what had passed and that he had appointed Abdulmelik's son governor of Egypt and had promised him his daughter in marriage. Er Reshid approved of this and confirmed the appointment and the marriage. [Then he sent for the young man] and he went not forth of the palace of the Khalif till he wrote him the patent [of investiture with the government] of Egypt; and he let bring the Cadis and the witnesses and drew up the contract of marriage..Now Ilan Shah had three viziers, in whose hands the affairs [of the kingdom] were [aforetime] and they had been used to leave not the king night nor day; but they became shut out from him by reason of Abou Temam and the king was occupied with him to their exclusion. So they took counsel together upon the matter and said, 'What counsel ye we should do, seeing that the king is occupied from us with yonder man, and indeed he honoureth him more than us? But now come, let us cast about for a device, whereby we may remove him from the king.' So each of them spoke forth that which was in his mind, and one of them said, 'The king of the Turks hath a daughter, whose like there is not in the world, and whatsoever messenger goeth to demand her in marriage, her father slayeth him. Now our king hath no knowledge of this; so, come, let us foregather with him and bring up the talk of her. When his heart is taken with her, we will counsel him to despatch Abou Temam to seek her hand in marriage; whereupon her father will slay him and we shall be quit of him, for we have had enough of his affair.'
