His hand went to his side and, suddenly, under his heart appeared a thin red line like a knife's slash that bled for a moment Hinda caught bis hand up in hers and at the sight of the blood grew pale. It was the second time she had seen Brother Hart bleed..Colman frowned to himself as his mind raced over the data's significance. No sane attacking force would contemplate taking an objective like that by a direct frontal assault in the center--the lowermost stretch of the trail was too well covered by overlooking slopes, and there would be no way back if the attack bogged down. That was what the enemy commander would have thought anyone would have thought. So what would be the point of tying up lots of men to defend a point that would never be attacked? According to the book, the correct way to attack the bunker would be along the stream from above or by crossing the stream below and coming down from the spur on the far side. So the other side was concentrating at points above both of the obvious assault routes and setting themselves up to ambush whichever attack should materialize.
