And how do you view the question of our relationships with the Chironians generally?'.for want of a better word... for a lot of things, anyhow." Nanook nodded. "Right. I do most of the time." Adam seemed to think about it for a long time. "No ...' he said slowly at last. "We're on our own on a grain of dust somewhere in a gas of galaxies. Inventing guardian angels for company won't change it. Whether we make it or not is up to us. If we mess it up, the universe out there won't miss us." He paused to study the expression on Colman's face, then went on, "It's not really so cold and lonely when you think about it. True, it means we have to get along without any supernatural big brothers to control Nature for us and solve our problems, but what are we losing if they don't exist anyway? On the other hand, we don't have to fear all the nonsense that gets invented along with them either. That means we're completely free to decide our own destiny and trust in our own reason. To me that's not such a bad feeling."."They could have," Bernard agreed. "But have they? It doesn't add up to the way Sterm's acting."."You know very well what I mean. Stop all this avoidance. Talk to me, deal with this situation."..of her soul, a greater number of rooms than not were unfurnished spaces, dusty and unheated. "We all have our plights and pickles."..The voyage of the Mayflower II had ended..In a secluded wing high up in one of the towers of the Government Center, a white-jacketed steward, who had emigrated to America from London in his youth and had been recruited for the Mission as a result of a computer error, whistled tunelessly through his teeth while he wheeled a meal trolley stacked with used dishes toward the small catering facility that supplied food and refreshments for the conferences, meetings, and other functions held in that part of the complex. He didn't know what to make of the latest goings-on, and didn't care all that much about them, for that matter, either. It was all the same to him. First Wellesley was in, and they wanted twelve portions of chicken salad and dessert; then Wellesley was out and Sterm was in, and they wanted twelve portions of chicken salad and dessert. It didn't make any difference to him who-."Of course, dear." Geneva slid the dish of garnishes across the table..to be entrusted to the masses. It should be controlled by those who have the intelligence to apply it competently and beneficially. Gaulitz would be a suitable figure to groom as a... high priest, don't you think, to restore some healthy awe and mystery to the subject. He nodded knowingly. "The Ancient Egyptians had the fight idea." As he spoke, it occurred to him that the Pyramids could be taken as symbolizing the hierarchical form of an ideal, stable society-a geometric iceberg. The analogy was an interesting one. It would make a good point to bring up at the dinner party. Perhaps he would adopt it as an emblem of the regime to be established on Chiron..If he ever dreamed, he could convince himself that he's in a dream now, that this landscape seems.her, Aunt Gen.
