Fallows sat. After some ten seconds he began feeling uncomfortable. What had he done wrong in the last few days? Had there been something he'd forgotten?... or failed to report, maybe?... or left with loose ends dangling? He racked his brains but couldn't think of anything. Finally, unnerved, Fallow managed to stammer, "Er . . . you wanted to see me, sir." "For Christ's sake, that's TV fiction. She doesn't exist..But no Borftein was present to save the situation at the side entrance. "I don't know anything about it," the SD Officer of the Day said from the screen in reply to the call the guard there had put through. "Those orders are incorrect. Detain those men." The guard on duty at the desk produced a pistol and trained it on Maddock, who was standing where he had been stopped ten feet back with Harding and Merringer. "That is a risk," he agreed. "As Otto said, it is difficult to judge exactly. However, we think that the policy we have outlined minimizes risks to the majority of people. Nothing will eliminate the risks completely." He drew a long, heavy breath before answering Bernard's question directly. "But there can be no alteration of our resolution." "I've got trouble with the satisfied part," Leilani said..Lechat slowly scanned the expectant faces. They all knew what was coming next. "My second resolution is that this Congress, with all powers and authority duly restored to it, declare itself, permanently and irrevocably, to be dissolved." The motion was passed unanimously.. "Well, that's something, anyway," Sirocco said. "Stay there, Bret, and don't let anyone touch anything. I'll get onto Brigade right away. We'll have some more people over there in a few minutes." He returned to Colman. "Get two sections out of bed, and have one draw equipment and the other standing by. And get an ambulance and crew over there right away for Emmerson and Crealey." Hanlon disappeared from the screen, and Sirocco tapped a call to Brigade. "It looks as if the fall-guy has gone down, Steve." "I realize that now, sugar. "Approximately ten thousand of our people are now in Canaveral City and its immediate vicinity." Merrick looked straight at Bernard. "They depend heavily on Chironian services and facilities of every description for the power that runs their homes to the very food they

eat. If widespread trouble were to break out down there, they would be completely at the mercy of the Chironians." He raised a hand to stifle any objection before Bernard could speak. "Clearly we cannot tolerate such a state of affairs. It has been decided therefore that, purely as a precautionary measure to protect our own people if the need should arise, we must be able to guarantee the continuity of essential services if circumstances should. Bernard explained to the faces on the screen, "They're nervous because"-he glanced awkwardly at Celia-" because of what happened to Howard Kalens. Stern is playing on that." "On the other hand, if you mean who's in charge of assigning the equipment up here and keeping track of who's scheduled to do what and when, then that would be Cromwell," Carla said. "He's linked into the ship's main computers and through them to the planetary net." None of them was Mickey, Minnie, Donald, or Goofy..difficulty swallowing.. "If you don't mind my saying so, isn't this a bit risky, sir?" Driscoll said apprehensively. "I mean . . . with all this going on? Suppose Colonel Wesserman or somebody shows up." Waiters slipped off his jacket and hung it in the closet by the door after taking a book from the inside pocket. Fallows frowned but made no comment..where he feels at home.. "Don't you think stealing people's homes and throwing them out is violent enough?" Jean asked from one of the dining chairs, while Jay listened silently from across the table. "What were they supposed to do? They ignored the soldiers and settled it with the man responsible. He should have been expecting it."..use..Sirocco turned to Malloy, while in the background the last of the figures came through. "Okay, you know where to go. Hanlon should be there now with the others." Malloy nodded. "We'll make a soldier out of you yet," Sirocco said to Celia. "You're doing fine. Almost there now." Celia returned a thin smile but said nothing. She moved away with the others toward the far side of the compartment. Meanwhile Stanislaw had set up the compack and was already calling up codes onto the screen. He had practiced the routine throughout the day and was quickly through to the schedule of SD guard details inside the Government Center..The specificity of the answer was disconcerting. Leilani's words struck a bell in Micky's mind, and she..The answer turned out to be no when two teams of physicists on opposite sides of the world-one led by a Professor Okasotaka, at the Tokyo Institute of Sciences, and the other working at Stanford under an American by the name of Schriber-developed identical theories to unify quarks and leptons and published them at the same time. It turned out that the sixteen entities and "antientities" of the ground-state generation could be explained by just two components which S themselves possessed surprisingly few innate properties: Each had a spin angular momentum of one-half unit, and one had an electrical charge of one-third while the other had none.
