The Master of it would be Berry at the door, though why he knocked she didn't know. "Come in, you fool!" she said, and he knocked again, and she put down her mending and went to the door. "Can you be drunk already?" she said, and then saw him..The Kargs are deeply

resistant to writing of any kind, considering it to be sorcerous and wicked. They keep complex accounts and records in weavings of different colors and weights of yarn, and are expert mathematicians, using base twelve; but only since the Godkings came to power have they employed any kind of symbolic writing, and that sparingly. Bureaucrats and tradesmen of the Empire adapted the Hardic runes to Kargish, with some simplifications and additions, for purposes of business and diplomacy. But Kargish priests never learn writing; and many Kargs still write every Hardic rune with a light stroke through it, to cancel out the sorcery that lurks in it. Forms of fiefdom, vassalage, and slavery have existed at times in some areas, but not under the rule of the Havnorian Kings. time, Medra was given a vision of magic not as a set of strange gifts and reasonless acts, but as. He kept himself to himself, as a man of craft and learning should. He spent his days riding about the countryside on the pretty black mare that his employer had given him for his use when he made it clear that he had not come from Roke to trudge about on foot in the mud and dust of country byways. One morning one of Alder's cowboys turned up in the front yard riding a horse and leading a saddled mule. "Master Alder says Master Otter can ride her, it being a ten-twelve miles out to the East Fields," the young man said.
