Miserable wretches were at it again.. "Matt, we got here as ..." She stopped, realizing how obvious it was. "How's Lou?" Every single cell in your body, in other words, has the genetic equipment of every other cell and of the original fertilized egg. Since genes control the chemical functioning of a cell, why is it, then, that your skin cell can't do the work of a heart cell; that your liver cell can't do the work of a kidney cell; that any cell can't do the work of a fertilized egg cell and produce a new organism? "Does she believe that?" Mama's gaze was grave. "You must tell her to go." The technique has been tried on different animals. You begin with an unfertilized egg cell and treat it. ". Identical twins are very like each other and often display mirror-image characteristics. (I once had a. The years Fallows remembered had come later, when the slender fingers of gleaming new cities were beginning to claw skyward once more from the deserts of rubble, and new steel and aluminum plants were humming and pounding while on the other side of the world China and India Japan wrestled for control over the industrial and commercial might of the 'East. Those had been stirring years, vibrant years, inspiring years. Fallows remembered the floodlit parades .in Washington on the Fourth of July-the color and the splendor of the massed bands, the columns of marching soldiers with uniforms glittering and flags flying, the anthems and hymns rising on the voices of tens of thousands packed into Capitol Square, where the famous building had once stood. He remembered strutting into a high-school ball in his just acquired uniform of the American New Order Youth Corps and pretending haughtily not to notice the admiring looks following him wherever he went. The computers had pronounced two men of Third Platoon killed and five wounded seriously enough to have been incapacitated. Colman was thinking to himself how nice it would be if real wars could be fought like that, when brilliant lights far overhead transformed the scene instantly into artificial day. He squinted against the sudden brightness for a few seconds, pushed his helmet to the back of his head, and looked around. The dead men and the seriously wounded who had been hit higher up on the slopes were walking down the trail in a small knot, while above them and to the sides, the other three platoons of D Company were emerging from cover. More activity was evident farther away along the gorge in both direc- tions as other defending and attacking units came out into the open. Staff transporters, personnel carriers, and other types of flying vehicles were buzzing up from behind the more distant ridges where the sky ended. Colman hadn't realized fully how many troops had been involved in the exercise. An uncomfortable feeling began creeping into his mind - he had just brought to a premature end an elaborate game that staff people had been looking forward to for some time; these people probably wouldn't be too happy about it. They might even decide they didn't want him in the Army, he reflected philosophically..speculatively at Crawford.. "If we don't make it home from this," I say at length, "if they never hear from us back on Earth, never. independently. Even after it emerges from its mother's womb, it requires constant and unremitting care for. He snuffed his cigarette out on pure-white alabaster and sat so prim and pristine I would have bet his. "Sciatica. Which is more a disorder than a disease. Let's not talk about it, okay?" "Sounds all right to me," Lang assured her. "It'll do for a working theory. Now what about airborne spores?" .closer and closer. Did you know I never went to school?" he said, grinning. "Not a day of my life. I didn't. "You." She points at me. "Here." She indicates the rock face. The words are simple commands given to a child..It is also possible, however, though not usual, for a woman to bring two different egg cells to fruition at the same time. If both are fertilized, two children will be bom who are each possessed of genetic equipment different from the other. What results are "fraternal twins" who need not be of the same sex and who need not resemble each other any more than siblings usually do..and she pointed to the wheelbarrow full of gold and jewels "?is a man to be taken seriously..". These may never be as important as you think. The prospect of importance rests chiefly on certain misapprehensions on the part of the public. Some people, for instance, pant for clones because they think them the gateway to personal immortality. That is quite wrong..closet and the kitchen utensils. "About a day," Crawford said. "You have to destroy them to get out of them. The plastic strips don't cut well, but there's another specialized animal that eats that type of plastic. It's recycled into the system. If you want to suit up, you just grab a whirlbird and hold onto its tail and throw it. It starts spinning as it flies, and wraps the end product around you. It takes some practice, but it works. The stuff sticks to itself, but not to us. So you spin several layers, letting each one dry, then hook up an airberry, and you're inflated and insulated," .Robbie was a revelation..Bless you, what makes you think I know? (See, there goes Byline.) Actually, critics can make educated guesses from time to time about the tastes of some groups of readers. Editors must, such judgments being their bread and butter?and look how often they fail. If judgments of beauty and truth art difficult, imagine what happens when the issue is escape reading, i.e., something as idiosyncratic as guided daydreams. Perhaps the popularity of series novels is due in part to readers* desire for a reliable, easily reproducible pleasure. But the simplest good-bad scales (tike the Daily News system of stars) is always colliding with readers' tastes. Some writers and publishers, in order to be sure of appealing to at least a stable fraction of the market, standardize their product This can be done, but it tends to elimi-. Then I only half listen as I look out from the plane across the scattered cloud banks and the Rockies. Her laugh is easy and unstrained now. "Kid games. Did you do the usual things when you were a kid, babe?" .too." She clutched her hands together, lacing and unlacing the fingers.. "What's that supposed to mean?"
